- Please wash thoroughly before entering the pools or saunas. Swimwear is not worn in the shared sauna.
- Please bring your own seat cover. Seat covers and swimwear are available for purchase at reception. Any swimwear designed for swimming is allowed, including swim shorts, burkinis, etc. Swimwear and towels can also be rented at reception.
- Babies must wear a swim diaper or swimwear with tight leg openings. Swim diapers are available for purchase at reception.
- Hair dyeing, shaving, or using products that may stain is not allowed in the shower areas.
- Wet floors in the pool area may be slippery. Running is not allowed. Diving into the pools is prohibited.
- Photography and video recording of your own family and general areas is allowed in pool areas as long as it does not disturb other guests. Filming in changing rooms, saunas, and shower areas is strictly prohibited.
- The pool area is monitored by cameras and lifeguards.

FAQ

- Pre-school children may use the same changing room as their guardian regardless of gender. School-aged children and older must use changing rooms according to their gender.
- Children aged 10 and above who can swim may visit the spa without an adult. Children aged 8–9 require written permission from a guardian. You can request the form in advance from spa reception via email (spa@levihotelspa.fi)
- Swimming toys, aqua jogging belts, floats, etc. are available in the pool area. Swimming
- Goggles can be borrowed from the lifeguards.
- With an EU Disability Card marked "A", an assistant may enter free of charge with the guest requiring assistance (the assisted guest pays the normal spa fee; children under 4 are charged the children's rate). Please note that we do not have family changing rooms, so the assistant must be able to use the same side as the assisted guest.
- Non-alcoholic drinks and light snacks are available for purchase in the pool area (please contact the lifeguards). There is no pool bar in the spa.
